

Barnet Parent Carer Forum

has been set up for parents/ carers of children and young people (0 – 25 years) with a disability and/or additional needs.

We need you behind us to:

- represent the views of parents/carers
- raise awareness of our children's needs
- work with Barnet Council and other service providers to improve services

We are an independent body engaging with Barnet Council and other services to express the views of as many parents/carers as possible, to give us all a stronger voice.
