MGA Consulting

Open Parent Participation Meeting on Barnet's Therapy Services

The Clinical Commissioning Group and London Borough of Barnet are redesigning the current Children & Young People's SALT, Occupational Health and Physiotherapy services into an integrated therapies service.

MGA Consulting will be leading on this piece of work and would like to speak to you about:

- What works well in the existing therapy provision?
- What doesn't work well in the existing therapy provision?
- What key things would you want to see change in a new specification?

The participation meeting will be run by **Sharon Tuppeny**, **MGA Consulting** (Occupational Therapist with 22 years experience working in health and social care)

When? 10:30am - 12:30pm

Date: Monday 27th February 2017

**Where? Barnet Mencap, 35 Hendon Lane, Finchley
N3 1RT**
